ST. PAUL, Minn., February 2024 — Panacea Healthcare Solutions, a leading provider of strategic pricing, price transparency, chargemaster software, compliance, and revenue integrity, education, and consulting services to healthcare providers across the full continuum of care is thrilled to announce the newest enhancement to its First Healthcare Compliance platform—the introduction of Virtual On-Demand Webinars with Continuing Education Units (CEUs). This innovative offering empowers healthcare professionals to access high-quality compliance training at their convenience, further solidifying First Healthcare Compliance’s commitment to accessible and comprehensive education.

“Our aim is to empower healthcare professionals with the knowledge and skills they need to navigate the complex landscape of compliance effortlessly.”

Healthcare professionals can now access compliance webinars anytime, anywhere, accommodating busy schedules and varied time zones. Each webinar is designed to provide valuable insights and information while offering CEUs, ensuring that participants can earn credits for their ongoing professional development.

The webinars cover a diverse range of topics, including HIPAA, OSHA, human resources compliance, fraud waste and abuse laws, coding and auditing, price transparency and more. This ensures that healthcare professionals receive targeted and relevant training.

Led by industry experts, the webinars guarantee a rich learning experience with insights from seasoned professionals in the healthcare compliance domain.

In the rapidly evolving landscape of healthcare compliance, staying informed and educated is paramount. Panacea Healthcare Solutions recognizes the challenges faced by healthcare professionals and strives to bridge the gap with this transformative learning solution.

“Our aim is to empower healthcare professionals with the knowledge and skills they need to navigate the complex landscape of compliance effortlessly. The introduction of Virtual On-Demand Webinars with CEUs is a significant step towards providing accessible, flexible, and valuable education,” said BreAnn Meadows, President, Revenue Integrity Services.
